For several years I always indicated in my performance reviews that I wanted to get more active with NAHRO. Our current chapter President Marcy Conner asked me to join the board approximately 3 years ago and then nominated me for President-Elect. I am serving my second year as President-Elect and will if elected at our Annual conference, will begin a 2-year term as President in October 2019. Providing more service to NCRC is in keeping with my goals to be a more active member of NAHRO.
